

Hogg Construction

York Galleria Mall York, PA

"It is highly unusual to find a contractor with such commitment to safety, client satisfaction, and quality workmanship as Hogg Construction. We thank them for a job well done." - William H. Woerner, Jr., General Manager

Project Highlights

- Associated Builders & Contractors National Award winning project
- Performed renovations to the Mall's interior atrium without interrupting business
- Removal of fountain systems to install new terrazzo floor
- Performed several tenant fit-outs without compromising surrounding tenant businesses
