HOGG CONSTRUCTION, INC. EMPLOYEES EARN GREEN ADVANTAGE CERTIFICATION

York, PA— Honman Chau, Estimator, and Rodney Crawford, Project Manager, at Hogg Construction, Inc. earned their Green Advantage Environmental Certification for Commercial Construction. Their knowledge of the latest in "green" building practices, technologies and techniques will ensure Hogg Construction's ability to qualify the workforce on a commercial building seeking LEED Certification and a LEED Innovation Credit for qualifying projects.

"Hogg Construction has made a real commitment to sustainable construction and our SmartGreen efforts to keep our customers informed and in the forefront of this emerging industry," said Jim Hogg, President and Chief Executive Officer.

Founded in 1952, Hogg Construction specializes in design/build and general construction of religious facilities, supermarkets, retail centers, medical centers, senior living facilities, office buildings, hotels, banks and industrial facilities. Hogg Construction has received numerous awards for excellence in construction, safety, scheduling and owner satisfaction from the Associated Builders and Contractors (local and national), National Association of Industrial & Office Parks, Building Congress & Exchange and the American Institute of Architects.
